Please join us for this seminar in which Petrobras and Devon will present procurement opportunities for their operations in Brazil. Petrobras America will outline the \$250 million in goods and services they expect to procure directly from U.S. companies over the next year as well as Petrobras Brazil's \$87 billion strategic sourcing plan. Devon Energy will present its procurement process and implementation for its POLVO project, Devon's first exploration project in Brazil. Devon also has obtained the rights to eight additional blocks in Brazil. The Commercial Consul at the U.S. Consulate in Rio de Janeiro will provide an overview on the rapid expansion and investment in Brazil's oil and gas sector and how to approach the market successfully and profitably.

Registration deadline: September 19, 2006. Once you have registered and paid for your participation, the Commercial Service will send you the conference call passcode and log-in information for this online presentation.
